The Chair opened the meeting at 18:00, welcoming all those present.

1. Apologies: Apologies received from Trevor Batson.
2. Declarations of interest: There were none.

3.0	Purpose of special meeting to discuss one planning application.	
3.1	Planning Application 71082 at Waterlake Barn, Waterlake Field, Lower Loxhore	
3.2	The Councillors present had reviewed the application in depth. Apart from perceived anomalies on the application regarding the location of neighbouring properties the Council endorsed the conversion of the barn. As with other applications Council would rather have a living and lived in building than an empty decaying one. Despite the EA stating zone 1 local knowledge does say that the road and area around the entrance do get very wet at times. Council would also request that any damage to Longpot lane due to construction traffic be made good. Clerk to submit these comments to the planning department portal.	Closed

4. The meeting closed at 18:15 with the Chair thanking everyone for attending.
